SECTION 5: Project Information and Scope of Work

5.1. SCOPE OF WORK.

The Agency is planning the demolition of Yamacraw Village - a public housing property of approximately 22 acres located within Savannah's Downtown Historic District. The demolition is being planned due to the physical obsolescence of the buildings, and will require compliance with measures of historic preservation outlined by the State Historic Preservation Office in a Memorandum of Agreement, found herein as *Appendix B*. This project consists of providing a Phase I archaeological Survey for the Yamacraw Village site (aerial map available herein as *Appendix A*) and a Phase II archaeological survey for the greenspace area between Zubley and Fahm Streets. The services are expected to be completed within six months from the date of the written Notice to Proceed.

5.2 REQUIRED SERVICES.

The successful archaeological firm (a/k/a herein as "the Contractor") will provide all material and labor to complete the work detailed herein:

A. Phase I Archaeological Survey

A Phase I archeological survey shall be conducted within the accessible areas of proposed demolition, in addition to any equipment staging areas, or newly constructed roadways that may be required to access the project area. The archaeological investigations will be conducted by a professional archaeologist that meets the Secretary of the Interior's *Professional Qualification Standards* and the survey methods should follow the Georgia Council of Professional Archaeologists' recommended *Georgia Standards and Guidelines for Archaeological Investigations* (GSGAI), including but not limited to Sections III.C.1 and III.C.3.c.ii of the GSGAI, for intermediate probability areas due to the nature of the site. Deep sediment inspection, including deep shovel testing and geological coring, is recommended due to the recorded presence of large quantities of fill soil above cultural layers and sterile soil within the project area. The survey should be conducted with the equipment necessary to examine at least two meters below the current ground surface, or until sterile soil is reached, in search of deeply buried cultural layers. This investigation may also warrant the use of heavy machinery to conduct backhoe trenching and mechanical coring in compliance with the Occupational Safety and Health Administration *Standards for Excavation Safety* (29 CFR 1926 Subpart P and appendices).

B. Targeted Phase II Archaeological Survey

Regardless of the Phase I survey results, since prior ground penetrating radar (GPR) performed by the Lamar Institute in 2009 and 2011 detected anomalies in a greenspace area near the intersections of Fahm and Zubley Streets, which may include redoubts dating to a Revolutionary War 1779 battlefield in Savannah, a Phase II survey shall be conducted in this area to confirm NRHP eligibility in accordance with CFR § 800.4(c) and establish the specific boundary of battle earthworks (redoubts). See *Savannah Under Fire, 1779: Identifying Savannah's Revolutionary War Battlefield*. By Rita Folse Elliott and Daniel T. Elliott, with contributions by Laura E. Seifert, 2009 (47 MB) and *Savannah Under Fire, 1779: Expanding the Boundaries*. By Rita Folse Elliott and Daniel T. Elliott, with contributions by Laura E. Seifert, 2011.

C. Change Orders as Necessary

Following acceptance of the results of the Phase I survey, if potentially eligible sites are present, the Agency may approve a Change Order requesting the contractor to conduct Phase II testing in accordance with 36 CFR § 800.4(c).

If after Phase I and Phase II surveys are complete, and eligible sites are present within the project's area which cannot be avoided, the Agency may approve a Change Order requesting the Contractor to work on Phase III Data Recovery/Data Recovery Plan.

This IFB is focused on services under paragraphs A and B above. Services under paragraph C do not require a bid at the moment and may be triggered to a future change order(s) depending on the survey results.

5.3 CONTRACTOR RESPONSIBILITIES.

A. Access for Emergency Vehicles.

The Contractor shall ensure that any equipment and/or vehicles that he/she places on the work site shall not be placed in such a position that interferes with access by any emergency vehicles or traffic by the public at-large. The Agency reserves the right to approve or reject (and demand the movement) of the placement of any such equipment or vehicles at any time during the performance of the contracted work if, in the opinion of the Agency, the placement of such equipment or vehicles does interfere with such access.

A. Background Investigation of Personnel.

The Contractor's personnel are in effect deemed to be agents of the Agency. All Contractors shall, conduct a level of background investigations into its employees' backgrounds. The Agency shall have the right to, upon demand, review the results of such investigations. The potential Contractor's investigation shall include an authorization on criminal history check, irrespective of whether the candidate has declared that he or she has been arrested and/or convicted before. These criminal background investigations shall not be limited to local entries but shall include a nationwide search through appropriate sources once every twelve (12) months.

C. Communication.

The Agency contact person shall be the primary on-site point of contact for the Contractor pertaining to this work. The Contractor shall be free to converse and communicate with the Agency contact person during or between visits; however, all requests for changes or decisions shall be submitted to the Agency contact person and approved by the Executive Director, or assignee, after receipt and consideration of a written request from the Agency. The Agency contact person anticipates that it will typically make a decision on such matters within three (3) business day after receipt, though such response timeframe may be shorter or longer depending on the situation; accordingly, the Contractor shall be required to submit such written requests in a timely manner as reasonably possible. When construction commences, all communication must be directed to the designated Agency contact person only. At no time shall the Contractor or his/her staff communicate directly with Agency residents and/or the building tenant employees.

D. Contractor's Request for Payment.

Invoices shall be submitted to the Agency at completion of each phase of the proposed scope of work. The Agency's representative for this project will approve invoices for payment if services are completed in a satisfactory manner, in accordance with the approved schedule and with presentation of proper supporting documentation.

E. Safety Standards.

It shall be the responsibility of the Contractor to ensure, at all times during the performance of the work, to the maximum extent feasible, to protect the safety of Agency residents and staff, the Contractor's staff, and subcontractors, and the public. This shall include, but not be limited to, compliance with all OSHA-related federal and

local laws, codes, and regulations, as applicable. The Contractor shall, upon request from the Agency, provide the Agency with a copy of its safety policy. Any and all accidents or injuries shall be reported verbally within 2 hours and in writing within 24 hours of the occurrence to the designated Agency contact person.

F. Security during Work.

The Contractor shall take all means necessary to maintain the security of the area in which they are working. These security measures must be carried out on a twenty-four-hour basis, not just during normal work hours.

G. Prohibited Substances.

The Agency properties are a smoke-free environment. The use of tobacco, illegal drugs, vaping or prescription drugs that would adversely affect the performance of the contractor, and/or alcohol is prohibited by the Contractor and his/her personnel on-site while performing services on Agency property.

H. Required Licensing.

The Contractor(s) shall be in possession of any current appropriate licensing that may be required by the Chatham County (and/or, if applicable, any city jurisdiction therein in which work will be performed) and/or the State of Georgia. The license must be provided upon request by the Agency.

I. Tools/Equipment/Materials.

The Contractor shall ensure at all times, that tools, equipment, and materials are handled, placed, and stored in a secure and safe manner so as to protect all parties, including, but not limited to, the Contractor's workers, Agency tenants and staff, and the public at large. The Contractor shall ensure that during non-working hours such items are not left unattended on the job site when such safety may be compromised. If applicable, if the building the Contractor will be working in is occupied by an independent business with a lease to work in this building, it will be especially important that traffic areas are clear for access and egress.

J. Vehicle Identification:

When responding to calls on the Agency properties the Contractor's vehicles will have proper signage to denote the name of the company. This can be in the form of a name/logo decal or magnetic vehicle sign.

K. Warranty/Guarantee.

All work provided by any Contractor pursuant to any contract that ensues from this IFB shall be warranted or guaranteed by that Contractor for a period of time of not less than 180 days.

L. Weekends.

Unless otherwise approved by the Agency in writing, the Contractor shall not perform any assigned work on an Agency property on recognized Federal or State holidays or weekend days (Saturday or Sunday).

M. Work Standards.

It is the responsibility of the Contractor to ensure that each worker employed by the Contractor shall be fully trained and qualified to provide any assigned work. Accordingly, all work provided shall be guaranteed by the Contractor to be performed in a workmanlike manner and in accordance with all applicable laws, codes, and/or regulations, including those issued by, but not limited to, Chatham County (and/or, if applicable, any city jurisdiction therein in which work will be performed), and/or the

State of Georgia, or any applicable Federal Agency.

N. **Weapons Prohibited.**

The Contractor shall be responsible for ensuring that neither the Contractor nor his/her employees bring onto the Agency sites weapons of any kind, legal or illegal, including, but not limited to, firearms or knives.

6.3. **ADDITIONAL INFORMATION PERTAINING TO THE BID ITEMS:**

A. **Review the Entry of Proposed Fees.**

After a Bidder has entered where provided within the Marketplace his/her proposed item prices, the Marketplace will automatically multiply the proposed unit costs by the listed quantity. The Agency strongly recommends that each Bidder, after entry of proposed fees within the eProcurement Marketplace, print the receipt provided and review the entry to ensure that the bidder has entered the proposed fees correctly (the Marketplace will allow the bidder to immediately re-enter the Marketplace at any time prior to the posted deadline to correct any such entry). The Bidder will NOT be able to correct this entry after the posted deadline has expired, which means that the Agency will utilize such entry, correct or incorrect, to determine the apparent low bidder.

B. **Price Escalation.**

Pertaining to the ensuing contract, there shall be no escalation of the proposed costs allowed at any time during the awarded contract except for any legitimate change orders that may be approved by the Agency.

C. **Prior Agency Approval Required.**

Failure to abide by this directive shall release the Agency of any obligation to pay the successful bidder for any work conducted without the noted prior written authorization.

D. **No Deposit/No Retainer.**

The Agency will NOT pay any deposit or retainer fees at any time as a result of award of the ensuing contract, though the Agency may, if suitable, consider negotiation of

6.4. **BIDDER’S RESPONSIBILITIES – CONTACT WITH THE AGENCY**

It is the responsibility of the Bidder to address all communication and correspondence pertaining to this IFB process to the Procurement Administrator only. Failure to abide by this requirement may be cause for the Agency to not consider a bid submittal received from any Bidder who has not abided by this directive.

A. **Addenda.**

All questions must be submitted via the Marketplace prior to the indicated deadline. The Procurement Administrator will respond to all such inquiries by addendum to all prospective bidders. During the IFB solicitation process, the Procurement Administrator will NOT conduct any *ex parte* (a substantive conversation - “substantive” meaning, when decisions pertaining to the IFB are made—between the Agency and a prospective Bidder when other prospective Bidders are not present) conversations that may give one prospective bidder an advantage over other prospective bidders. This does not mean that prospective bidders may not call the Procurement Administrator—it simply means that, other than making replies to direct the prospective bidder where his/her answer has already been issued within the solicitation documents, the Procurement Administrator may not respond to the prospective Bidder’s inquiries but will direct him/her to submit such inquiry in writing so that the Procurement Administrator may more fairly respond to all prospective Bidders in writing by addendum.

6.5. **RECAP OF ATTACHMENTS.**

It is the responsibility of each bidder to verify that he/she has downloaded the following attachments pertaining to this IFB, which are hereby by reference included as a part of this IFB:

8.7. ERRORS IN BIDS

Obvious error(s) in calculations in any bid may not be corrected without the prior written consent of the Agency and may be the cause for the bid to be deemed non-responsive. If an error is made in an extended price, the unit price will govern.

8.11. OPTIONAL GOODS AND/OR SERVICES

The Agency reserves the right to request and evaluate optional goods and/or services which may be in the best interests of the Agency, and to negotiate the price of such goods and/or services with the successful Bidder or with another Bidder, whichever is determined to be the most advantageous to the Agency. While pricing for optional goods and/or services may be requested in this Solicitation, the Agency is under no obligation to consider such optional goods and/or services when selecting the successful Bidder unless otherwise stated.

The Bidder is expected to carefully and thoroughly examine all of the solicitation documents for accuracy and completeness, and to become familiar with the same. If doubt exists as to the meaning and/or intent in or of any of the solicitation documents, the Bidder shall make an inquiry as to such meaning and/or intent. The failure of the Bidder to examine and become familiar with any and all of the solicitation documents shall in no way relieve the Bidder of its obligations under the Contract, if awarded to the Bidder. The submission of a bid shall be taken as prima facie evidence of compliance with this provision and that the Bidder fully understands

everything in the Solicitation Documents.

Accordingly, the Agency has no responsibility to conduct after the submittal deadline.

8.15. CONTRACT CONDITIONS.

The following provisions are considered mandatory conditions of any contract award made by the Agency pursuant to this IFB:

A. Contract Form.

The Agency will not execute a contract on the Contractor’s form—contracts will only be executed on the Agency form (please see Sample Contract, Attachment E attached hereto), and by submitting a bid the Contractor agrees to do so (please note that the Agency reserves the right to amend this form as the Agency deems necessary). However, the Agency will during the IFB process (prior to the posted question deadline) consider any contract clauses that the bidder wishes to include therein and submits in writing a request for the Agency to do so; but the failure of the Agency to include such clauses does not give the Contractor the right to refuse to execute the Agency’s contract form. It is the responsibility of each prospective bidder to notify the Agency, in writing, prior to submitting a bid, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Agency will consider and respond to such written correspondence, and if the prospective bidder is not willing to abide by the Agency’s response (decision), then that prospective bidder shall be deemed ineligible to submit a bid.

8.16. CONTRACT PERIOD.

The executed contract will initially be in place for the period of time that it takes the Contractor to complete the work (though some stated provisions will extend through the noted warranty period).

8.17. LICENSING AND INSURANCE REQUIREMENTS.

8.18. RIGHT TO NEGOTIATE FINAL FEES.

The Agency shall retain the right to negotiate the amount of fees that are paid to the Contractor, meaning the fees proposed by the top-rated bidder may, at the Agency’s options, be the basis for the beginning of negotiations. Such negotiations shall begin after the Agency has chosen a top-rated bidder.

8.19. USE OF BROKER

The Bidder warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees, or bona fide established commercial or selling agencies maintained by the Bidder for the purpose of securing business. For violation of this provision, the Agency shall have the right, in its sole discretion: (i) to terminate or suspend the Contract without liability to the Agency, its officials or employees; or (ii) to deduct from the Contract price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

8.20. ASSIGNMENT OF THE CONTRACT

The Agency’s rights under the Contract are personal to the Contractor. It is mutually understood and agreed that the Contractor shall not assign, convey, sublet, transfer or otherwise dispose of its Contract or its right, title or interest therein, or its power to execute the Contract, to any other person without the express written consent of the Agency; however, in no case shall such consent relieve the Contractor from its obligations under the Contract or change the terms and conditions of the Contract.

8.21. CHANGES IN GOODS AND/OR SERVICES

The Agency, without invalidating the contract, may order changes in the goods and/or services within the general scope of the contract, consisting of additions, deletions and/or other revisions, and the contract sum and term shall be adjusted accordingly. Any cost or credit to the Agency from a change in services shall be determined by mutual written agreement between the Agency and the Contractor. The Contractor shall provide all of the goods and services that may be required to complete the Contract at the price agreed upon. Any alterations of variables to the terms of the Contract shall not be valid or binding upon the Agency unless made in writing and signed by the Agency and the Contractor.

8.22. CONTRACT DISPUTES

A claim must be in writing for a sum certain and any money requested must be fully supported by all cost and pricing information.

- A. All disputes, claims, questions of fact or interpretations of the documents of the contract not disposed of by agreement or express provision of the contract arising between the Agency and the Contractor after performance of the Contract has commenced but before final payment and termination of the Contract, are decided by the Agency's Contracting Officer.
- B. The Agency's Contracting Officer must give the Contractor not less than three (3) working days to submit documentation and written reasons supporting the Contractor's position in the dispute. The Agency Contracting Officer may consider any other information or written submissions from Agency employees or agents and may conduct an informal, non-record hearing for receipt of testimony, evidence and/or argument. The Agency's Attorney may participate in the hearings to protect the Agency's interest.
- C. The Agency's Contracting Officer must render a decision, in writing, stating reasons for such a decision and provide copies to the Contractor and the Agency's Attorney. If the decision is mailed to the Contractor, it must be mailed "certified" and dated the date of mailing; otherwise, it must be dated the date of delivery to the Contractor.

8.23. DISSEMINATION OF DATA

8.25. FORCE MAJEURE

The Agency and the Contractor acknowledge and agree that either party hereto will be relieved of its obligations hereunder in the event and to the extent that the performance of its obligations under the Contract is delayed or prevented by any cause beyond its control, including, without limitation, acts of God, public enemies, war, insurrection, acts or orders of governmental authorities, fire, flood, explosion, or riots ("Force Majeure"). Failure to receive necessary materials and supplies will not excuse performance hereunder unless such failure is itself due to an event of Force Majeure. A party obtaining relief under this provision shall make every reasonable effort to minimize the effects thereof and will promptly resume performance as soon as possible.

8.26. IMMIGRATION REFORM AND CONTROL ACT

The Contractor shall warrant that it does not and shall not hire, recruit or refer for a fee for employment under the Contract, an alien, knowing the alien is an unauthorized alien, and hire any individual without complying with the requirements of the Immigration Reform and Control Act of 1986 ("Act"), including but not limited to any verification and record keeping requirements. 8.27. INCONSISTENT PROVISIONS

Notwithstanding any provisions to the contrary in the terms and conditions of any contract supplied by the Contractor, the conditions of this Solicitation and the Contract supersede those terms and conditions in the event of inconsistency. 8.31. NO WAIVER

Except as otherwise specifically provided in the contract, a waiver by either party to the contract of any breach of any provision of the contract, or either party's decision not to invoke or enforce any right under the contract, shall not be deemed a waiver of any right or subsequent breach, and all provisions of the Contract shall remain in force.

The Contractor agrees to use clauses similar to those above in all contracts and subcontracts. In the event the Contractor fails to comply with the nondiscrimination clauses of the Contract, or fails to include such provisions in all contracts and subcontracts, as hereinabove provided, the Contract may at the sole discretion of the Agency be declared void, ab initio, canceled, terminated or suspended in whole or in part with waiver of any recourse by the Contractor against the Agency or its officials or employees, and the Contractor may be declared ineligible for further contracts with the Agency.

The Contractor shall not be responsible for damages under this article solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the Agency from terminating the contract for such delay.

B. Termination for Convenience

- a. The Agency may, upon written notice and without cause, terminate the contract in whole or in part at any time for its convenience. In such instance, payment shall be made to the Contractor for the reasonable costs of the work performed through the date of termination. Termination costs do not include lost profits, consequential damages, delay damages, unabsorbed or under-absorbed overhead of the Contractor or its subcontractors or suppliers.
