Deconcentration Policy

Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]

The PHA's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of the PHA's deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

The PHA's deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

Steps for Implementation [24 CFR 903.2(c)(1)]

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, the PHA must comply with the following steps:

Step 1. The PHA must determine the average income of all families residing in all the PHA's covered developments. The PHA may use the median income, instead of average income, provided that the PHA includes a written explanation in its annual plan justifying the use of median income.

Housing Authority of Savannah Policy

The PHA will determine the average income of all families in all covered developments on an annual basis.

Step 2. The PHA must determine the average income (or median income, if median income was used in Step 1) of all families residing in each covered development. In determining average income for each development, the PHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

Housing Authority of Savannah Policy

The PHA will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. The PHA must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low-income family (federal poverty level or 30 percent of median income, whichever number is higher).

Step 4. The PHA with covered developments having average incomes outside the EIR must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, the PHA must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances the PHA's deconcentration policy may include, but is not limited to the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR

- Skipping a family on the waiting list to reach another family in an effort to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by the PHA in consultation with the residents and the community through the annual plan process to be responsive to local needs and PHA strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under the PHA's deconcentration policy. The PHA must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average incomes at all general occupancy developments are within the EIR, the PHA will be considered to be in compliance with the deconcentration requirement and no further action is required.

Housing Authority of Savannah Policy

For developments outside the EIR the PHA will take the following actions to provide for deconcentration of poverty and income mixing:

The HAS will skip over families on the waiting list to reach higher income families in an effort to further the goals of deconcentration.

4-III.B. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use.

Local Preferences [24 CFR 960.206] PHAs are permitted to establish local preferences and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion.

Any local preferences established must be consistent with the PHA plan and the consolidated plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources [24 CFR 960.206(a)].

Waiting List Preference – Public Housing Residents:

Families currently residing in public housing developments that are scheduled for demolition and/or disposition shall be granted a local preference on the Housing Authority program waiting lists to include the Housing Choice Voucher (HCV) and Project Based Voucher (PBV) waiting list. This preference is intended to minimize displacement and ensure continuity of housing for affected residents, in accordance with HUD regulations and the Housing Authority's relocation policies.

Housing Authority of Savannah Policy

The Housing Authority of Savannah shall grant public housing residents of developments slated for demolition and/or disposition priority placement on the Housing Choice Voucher (HCV) and/or the Project Based Voucher (PBV) waiting list. When the HCV and PBV waiting lists are open, these residents will be advanced on the list and given precedence for available vouchers ahead of other applicants.

Attachment B.1(d)
Violence Against Women Act

Violence Against Women Act (VAWA)

In accordance with 24 CFR 903.21, the Housing Authority of Savannah has incorporated the states and provisions of VAWA into its Admissions and Continued Occupancy Policy (ACOP) and Housing Choice Voucher Administrative Plan to protect victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking.

The VAWA section of the ACOP and Administrative Plan outlines HAS policies and procedures regarding victim documentation, termination/eviction of a perpetrator of domestic violence, and confidentiality requirements.

HAS is committed to the safety and welfare of all residents and has an ongoing partnership with SAFE Shelter, as governed through a Memorandum of Understanding. Safe Shelter provides outreach program services, domestic violence training, emergency shelter and comprehensive services including a state of the art facility that provides accommodations for victims of domestic violence.

Attachment B.2(b)

New Activities

Mixed Finance Modernization or Development.

In order to diversify and expand the supply of assisted housing units in its jurisdiction, the Housing Authority of Savannah desires to develop new public housing from its Faircloth Authority under the Mixed Finance Program, in addition to other resources that might be available. The Housing Authority of Savannah has engaged with a development partner and plans to continue receiving and selecting proposals from developers and owners of multifamily rental housing interested in developing public housing units that are pre-approved to be converted to a long-term Section 8 contract, through a streamlined “Restore Rebuild” process. The current partnership should result in an amount not to exceed 80 units being added to the Authority’s portfolio by 2027.

Demolition and/or Disposition.

The Housing Authority of Savannah submitted a Section 18 Inventory Removal Application for the demolition of 315 units at Yamacraw Village during the previous year. The timeline for approval of the demolition application by the HUD Special Applications Center (SAC) is unknown, since is contingent upon a pending Environmental Certification by the City of Savannah, and HUD issuance of form 7015.16 – Authorization to Use Grant Funds.

The demolition of Yamacraw Village was adopted as part of HAS’s Public Housing Repositioning Plan in June 2020. The decision to demolish was informed by 2019 and 2023 Capital Needs Assessments, which qualified Yamacraw for demolition under requirements of Section 18 of the Housing Act of 1937 related to physical obsolescence. Development details are provided in the table below. *Please reference the Appendix for the full address listing of the units at Yamacraw Village to be demolished.*

The submission of a disposition application for Yamacraw Village is expected to happen during the plan year. In collaboration with development consultants, and several stakeholders, the Housing Authority of Savannah plans to develop a master plan for the Yamacraw site, which should include development of a new mixed-income community and necessary amenities. Details of the master plan will be used in the disposition application, which is expected to be through a ground lease with a master developer. The Housing Authority of Savannah also plans to select the master developer for the site during the plan year, through a Request for Qualifications.

Any decisions to reposition

properties through RAD, Section 18, or RAD/Section 18 blend will be made with proper consultation of public, residents, and resident associations, as well as Board of Commissioners approval. In FY2026, HAS plans to conduct strategic rehabilitation work in traditional public housing properties, included but not limited to accessibility improvements in accordance with standards of the Americans with Disabilities Act, and improvements to breezeways and building envelope structures.

Project-Based Vouchers.

In FY2026, the Housing Authority of Savannah may utilize, contingent upon budget authority, a portion of its Housing Choice Voucher (HCV) allocation for new Project Based Vouchers. Through competitive solicitation, the Authority may select developers and owners of multifamily rental housing interested in receiving project based rental assistance while housing families of low and very low income. With the placement of Project Based Vouchers, the Authority’s intention is to encourage the preservation of affordable rental units through renovation, and/or the development of new affordable rental units through new construction.

In FY2026, the Housing Authority of Savannah may assist the Georgia Department of Community Affairs (DCA) in the evaluation of projects that submit applications for its Project-Based Voucher Program. Since the execution of a Memorandum of Understanding between the parties in 2024, DCA is authorized to issue Project Based Vouchers in HAS’s jurisdiction, contingent upon HAS’s approval.

Other Capital Grant Programs.

HAS plans to apply to other grants that may be made available for furthering the preservation, physical improvements, and/or safety of public housing properties. Included in these initiatives are Safety and Security Needs, and Capital Fund At-Risk grants.

Choice Neighborhoods Initiative.

If made available by HUD in FY2026, HAS may seek award(s) of competitive Choice Neighborhood grants to support the development of community transformation plans and/or fund execution of these plans, which aim to transform distressed public and assisted housing communities.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ___ Annual PHA Plan, hereinafter referred to as “the Plan,” of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning _____, in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a signed certification by the appropriate State or local official (form HUD-50077-SL) that the Plan is consistent with the applicable Consolidated Plan, which includes any applicable fair housing goals or strategies, for the PHA's jurisdiction and a description of the way the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the Resident Advisory Board (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the way the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - i. The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - ii. The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - iii. The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours. Where possible, PHAs should make documents available electronically, for public inspection upon request.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment. The PHA ensured all notices and meetings provided effective communication with persons with disabilities and further provided meaningful language access for persons with Limited English Proficiency (LEP).
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Violence Against Women Act (34 U.S.C. § 12291 et seq.), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, the Violence Against Women Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs.
7. The PHA will affirmatively further fair housing, in compliance with the Fair Housing Act, 24 CFR § 5.150 et seq., 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering

fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151). Pursuant to 24 CFR § 903.15(c)(2), a PHA's policies should be designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability. PHA policies should include affirmative steps stated in 24 CFR § 903.15(c)(2)(i) and 24 CFR § 903.15(c)(2)(ii). Furthermore, under 24 CFR § 903.7(o), a PHA must submit a civil rights certification with its Annual and 5-year PHA Plans, except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document. The PHA certifies that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module and/or its successor system: the Housing Information Portal (HIP) in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination based on age pursuant to the Age Discrimination Act of 1975.
10. In accordance with the Fair Housing Act, the PHA will not base a determination of eligibility for housing on actual or perceived sexual orientation, or marital status and will not otherwise discriminate because of sex (including sexual orientation).
11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, 'Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped' for people with physical disabilities.
12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
13. The PHA will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implement the regulations at 49 CFR Part 24 as applicable.
14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
17. The PHA will keep records in accordance with 2 CFR 200.302 and facilitate an effective audit to determine compliance with program requirements.
18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.

20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
21. All attachments to the Plan have been and will continue to always be available at all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA and, where possible, should be made available for public inspection in an electronic format.
22. The PHA certifies that it is following all applicable Federal statutory and regulatory requirements, including the Declaration of Trust(s).
